

DIMPLE PARMAR

FASHION DESIGNER

ABOUT ME

I am a passionate fashion designer with strong skills in design, fabric manipulation, and garment construction. Eager to continue learning and collaborating with experienced professionals, I aspire to contribute meaningfully to real-world projects as a fashion designer. My design philosophy focuses on merging sustainability with the refined craftsmanship and timeless appeal of luxury fashion.

EDUCATION

Pursued degree in
B.Voc Fashion Design,
from PVP, SNDT
Women's University
2022-2025

ACHIEVEMENTS

Participated in Annual Fashion Show 2025-
"Rayvance" Collection.

WORK EXPERIENCE

Fashion Designer Internship
Bubber Couture (6 months)

- Assisted senior designers in developing seasonal collections, from concept research to final prototypes.
- Created mood boards, colour palettes, and arranged fabric swatches aligned with the brand's luxury aesthetic.
- Supported design development through sketching, AI illustrator and Photoshop, technical drawings.
- Coordinated with pattern makers and sampling team to ensure design accuracy and quality standards.
- Conducted market research on luxury fashion brands to identify emerging trends and consumer preferences.
- Attending client meeting assisted in fittings, garment adjustments and documenting changes for production teams.
